<https://drive.google.com/file/d/1GgWTipD5kyYW1joyYyWHi2yeMjWlz7g7/view>, transcribed by me):

Я не могу комментировать цели, с которыми президент США обращается к русскому народу, но я думаю, что любой диалог, в создавшихся условиях полезен. Диалог может принимать разнообразные формы. Самое важное, чтобы сохранился мир, прежде всего мир между Россией и Украиной.

Мы хорошо помним, как американцы действовали на Ближнем Востоке, мы помним какая ситуация сложилась в Ираке, после их вторжения, мы помним, что произошло в Ливии и очень бы не хотелось, чтобы что-либо подобное повторилось на нашем историческом пространстве. А для нас, людей Церкви, для представителей РПЦ, и Россия, и Украина, и Белоруссия, и другие сопредельные государства – это государства, где живет наша паства и мы болеем за их судьбу не меньше, чем мы болеем за судьбу России.

И в этом отношении, конечно, для Русской Православной Церкви вся эта ситуация особенно болезненна, потому что наши люди находятся и на той, и на другой стороне. Так же, как когда мы говорим о Донбассе. Вот, мы знаем, что часть Донбасса принадлежит к непризнанным республикам ДНР и ЛНР, часть Донбасса относится к Украине. Между ними разделительная линия, а наша паства, она живет на той стороне и на другой стороне. И наши архиереи имеют епархии, у которых есть приходы и там, и там. Т.е. архиерей, для того чтобы посещать приходы своей епархии, он должен постоянно переезжать через эту разделительную линию. Но проблема касается не только архиереев. Проблема касается и простых людей, у многих из которых семьи разделены. Часть семьи живет в одной стороне, часть семьи живет в другой стороне.

Поэтому, чем скорее прекратится это противостояние, чем быстрее решатся накопившиеся проблемы, тем это будет лучше. И, конечно, мы молимся о том, чтобы проблемы решились не военным, а мирным путем.

И я очень надеюсь, на то, что на обеих сторонах конфликта хватит мудрости и мужества для того, чтобы выйти на переговорный процесс и решить накопившиеся проблемы именно путем переговоров.

13. Bishop Neophytos of Nyeri and Mt Kenya, African Orthodox Church of Kenya

It is absolutely immoral, illegal, unjustifiable, unacceptable and inhumane for Russia to stage war, eliminate innocent lives because of their selfish interests. It pains and hurts me when I hear children screaming their hearts out for survival, people who are bloody bodied all-over looking helpless. It is now clear and worrying that Russia is not ready to listen to the member States of good will calling for ceasefire.

Having said that, Africa should be equally worried and concerned as well at the blink of an eye. We should be seriously concerned and alert and be ready to ask ourselves tough questions about their intended Orthodox mission work in Africa. That it is not only offensive but seem to indicate a planned humiliating attack on our continent now or in the future. The priests from Russia who entered Kenya and Tanzania came in and started invading our churches and wooing our clergy to become their disciples without following the right protocol. They are now everywhere else in Africa asking us to be against the Greek Bishops. However, in the real sense they are asking us to go against ourselves. That's why they are now calling us Greeks and themselves Russians. Who bewitched us???

Anyway anyhow, if anything happens that will hurt or injure our people, then those who have embraced their mission ideology and prayers should be held responsible and answerable. The signing of oaths, hefty promises being peddled are good signs of creating hatred or jealousy among people especially between the clergy and the faithful. hence internal conflicts. Remember, no war is ever a small war.

I appeal therefore unworthy as I am, to the Ministry of Interior of our Country Kenya, to be vigilant, keen, professional and diplomatic in analyzing their intended mission if its trustworthy and genuine. We need to ask tough questions at this point as genuine Orthodox Christians who love this country, our; African Orthodox Church of Kenya (AOCK) and each other. We should remain alert, vigilant and smart because things don't seem always to be what they are meant to be. Let us not betray our heritage, you have all seen the gospel, this is something else that is far from the gospel.

Let us earnestly pray for bleeding Ukraine, they need our unceasing prayers. Lord have Mercy.
